## GOD'S HEALING OF LYUDMYLA FROM CANCER

On June 22, 2013, a woman appealed to the Kovel Church and asked to pray for the healing of cervical cancer stage IIB. By that time she was granted group 2 disability status, she underwent two courses of chemotherapy treatment and radiotherapy (radiation therapy), as a result of it, she lost all hair on her head ...

On July 09, 2013, Lyudmyla sent us a letter again:

“THANKSGIVING!!!

Dear Church! Dear brothers and sisters! I thank the Living GOD and you. I cannot put into words the joy that fills my heart! GLORY! GLORY! GLORY! GLORY TO THE LIVING GOD! Thank you for your prayers that you offered up to GOD!

I had 3 tests done and the test results showed “no onco” – I’m healthy. I want to thank you all once again. I embrace you all!

With the peace of GOD!!!”

## GOD'S HEALINGS FROM CANCER AND BLEEDING

In autumn 2006 I visited my acquaintance Nina. She was a bedridden sick. Nina was in despair and said to me that she had bleeding. Also she told me about how she was treated by local doctors and in the regional center, but her health worsened even more. By that time, she was already taking hormonal medications. She did not go to work for three months. In order not to lose her job, she used all vacations and she was already thinking about quitting the job. She didn't know what to do next and did not see way out. She has a family, two daughters of school age who need mummy. During our talk, both daughters were close to their mother all the time. Feeling pity for Nina, I said to her that God can heal her as well as many people who, according to their faith, have received God's healings through the prayers of the Kovel Church. I gave a lot of examples of healing people from various diseases and examples of divine help in their problems. Meanwhile, I offered Nina to read the book about God's miracles called **“These Signs Accompany Those Who Believe in the Gospel!”** I also told her that for decades, every Sunday the Kovel Church has been continuously fasting and praying to God for the whole world, for all peoples and tribes, to the mercy of God will help in all the problems of people. I said to Nina, “You can join the Sunday prayers of our church and ask God, according to His mercy, to forgive you all of your voluntary and involuntary sins and to help in your disaster.” Nina said decidedly that she would join the Sunday prayers of the Kovel Church. I wished God's help and left. One day later, on Monday afternoon, I was driving near Nina's house and decided to visit her again. When I had entered the yard, I met Nina's husband, who told me that Nina has been doing different housework since morning, and he admonished her, because he was carrying about his wife's health. When I saw Nina, she was cleaning and washing. She told me with joy that God healed her from bleeding and she was already healthy. And that's why she has been doing household chores since early morning, because a lot of chores were piling up during her disease. I rejoiced with her that God gave the healing to her from bleeding.

One day I stopped in the parking lot in the town center. When I got out of the car, I heard someone called me by name – it was the same Nina! I asked her, “How is your health?” She confirmed with joy that she became healthy, came to life and she worked at the same firm. Nina also said that yesterday she was talking to Vera, her work colleague who was diagnosed with cancer of the female organs. Nina told her that God had healed her from bleeding through prayers of the Kovel Church and that there was an opportunity for her to join the Sunday prayers of the Kovel Church and to be healed of her disease. They spoke of how to tell Nina’s need to the Kovel Church, because Nina lost my phone number. And God had made our meeting. I gave for Vera the documentary film “**The Way of Peace of Love**” and the book “**These Signs Accompany Those Who Believe in the Gospel!**”, wishing God to help that sick woman in her disaster. After a while, during a phone talk Nina said that Vera was joining the Sunday prayers of the Kovel Church and received from God the healing of cancer; and now they continue to work together. I replied with joy, “Glory to our Almighty and Merciful God Who performs such glorious deeds, He is the doctor and the healer.”

After a short time, it was the summer of 2012, I met Vera at work, but then I did not know that it was the same Vera, who was healed from cancer, although we met each other several times. When I started talking about faith in God, Vera asked me, “Are you Anatoly who gave me the film and the book about God miracles?” I did not expect such a thing. And Vera briefly told me about God’s healing she had received, joining the prayers of the Kovel Church with fasting and praying on Sunday. The result of the prayer Vera felt immediately. But despite the positive result, doctors and relatives insisted on medical examination, although she did not want. When doctors did X-rays and examined her organs affected with cancer – there was no cancer. Thus, the doctors confirmed divine healing of Vera from cancer. During our talk, our mutual acquaintance came up to us, and Vera gladly testified that God had healed her from cancer through the prayers of the Kovel Church, and she was healthy for four years.

Glory to the Great God the Father and the Son and the Holy Spirit for everything! Amen.

### **THE HEAVENLY X-RAY**

On January 15, 2013, I had deep pain in my tooth. I did not sleep the whole night, my cheek was swollen, I could hardly speak. In the morning, on 16th January, I went to a dentist. The dentist removed a crown and cleaned root canals so that the pus may flow out. Seeing that the pus did not flow out, she sent me to have an X-ray done and told me to come with dental X-ray image to a surgeon at 4 p.m., because I needed an operation. I was diagnosed with **right-sided submaxillary abscess**. The dentist said that delay was dangerous, the abscess might rupture and might cause sepsis, the pus might penetrate into the cavity of the brain and cause very serious complications... and then in such a situation no one would be able to help. Having heard about such cases with fatal outcomes, I thought anxiously, “What shall I do next?”

I will always remember the day of February 2, 2010. Then I was seriously ill, doctors immediately sent me to an operation with a diagnosis of **duodenal ulcer, perforated ulcer, peritonitis, bleeding**. I had severe unbearable pain in my abdomen, I vomited blood several times. I did not have any hope that people could help me. I thought I would die. I refused the surgery and

asked God's minister to pray for my healing. He prayed over me – and God healed me! Glory to God!

Therefore, on January 16, 2013 I appealed to the minister of the Kovel Church with my new problem again. On the same day he came to our house. I told him about my disease and asked him to pray for me to the Lord healed me. God's minister asked me whether I had the faith to be healed. I answered that I had the faith. During the prayer God has shown to the minister in the vision an extraordinary image of my head. The walnut-sized abscess under my right jaw was shown on the image. From the abscess to the aching tooth there were two parallel root canals. Explaining the vision, God said through His minister, "**My help is near.**" After the minister's prayer, the pain is gone at once. After a short period of time, the abscess on my gum burst, a lot of pus came out of it. On the second day, the second abscess burst and a lot of pus came out, too. The swelling on my cheek vanished. The next day, there was no sign of sickness. Thus God according to His mercy from Heaven penetrated into my disease, showed His heavenly image in the vision for us, earthlings, and said previously through His minister with His Living Word from Heaven how He would heal me, and that pus would not come out in my head (as the doctor warned). According to God's Word, that's precisely what happened.

I glory the Great God the Father and the Son of God Jesus Christ and the Holy Spirit for the miracle of healing! Amen.

### **THE BLIND RECEIVE SIGHT**

I want to share my joy: God has healed me from glaucoma through the prayer with the anointing with oil in the name of the Lord. After one single prayer of God's minister, my unbearable headaches were stopped, a sharp pain inside my eye was gone, the pain was like a toothache before that ...

Glory to You, merciful God, for Your notable miracle which You did!

The headache in the forehead region started disturbing me for a year. I had sandy-gritty sensation in my eyes. I noticed that it is better for me to sleep with a high position of the head. I felt as if something prevents me from seeing lately; my hand involuntarily reached up to push a strand of hair out of my left eye which was not there; or I opened my eyes wider than normal when I wanted to look at something attentively. My relatives began to notice it. At that time I had no idea that I was going blind in one eye. On December 16, 2012, during a regular attack of severe headache, I felt the especially sharp pain in my left eye. I tried to look at my sister with my left eye who was sitting at the table, and I was seized with despair, I anxiously said, "I can't see you." I saw her like a shadow of a man in front of the window. And in the evening, when I turned the lights on and looked at a chandelier with my sick eye, I saw only the light spot and a very heavy fog around it: I couldn't see either contours of light bulb or chandelier. It was a tragedy for me. I couldn't stop thinking, "What if the same thing will happen with my second eye?..." I wanted to know in detail what the medical literature says about eye diseases, what disease includes similar symptoms such as I had. And I found not comforting information for me: acute pains in the affected eye area, headache attacks, they may include vomiting, dizziness and catastrophic visual loss – all these things became reality in my life and called glaucoma. Guidelines for glaucoma are to sleep with a

high position of the head, to refrain from strenuous physical activities – this practical conclusion was made by me without reading special literature and I had to do all these things.

*Glaucoma is a dangerous eye disease that affects the optic nerve and leads to vision loss due to increased intraocular pressure. Blindness caused by glaucoma is irreversible, because the nerve cells in the front of the optic nerve (the ganglion cells) die. If the high eye pressure is not reduced within a few hours after the attack, it can cause permanent vision loss. Eyesight deteriorates rapidly and may be lost completely within a few days or even hours. Unless glaucoma is treated quickly, permanent loss of vision or even total blindness can result. Usually, glaucoma affects both eyes and the speed of progression of the disease may not be the same in both eyes. Glaucoma is one of the leading causes of irreversible blindness in the world (Medical Encyclopedia).*

It was beyond my strength to master these sufferings and pains. Having good examples of many of God's healings, on December 30, 2012 I decided to tell one of the ministers of our church about my problem. I had only one desire: to come to the Living God with my problem. I asked to pray for me, while tears were streaming down my face. I saw that the minister moved with compassion toward me, he took my problem as his own problem, supported and advised me not to fall into embarrassment and doubt. My disease grew progressively. I constantly felt the sharp pain in my left eye. During three days, on 1st, 2nd and 3rd January, 2013, I was fasting without telling anyone about it i.e. I didn't eat or drink anything until 6 p.m. daily and I begged God with tears to forgive me where I have broken His will both voluntary and involuntary, to strengthen my faith and to heal me.

And in the evening, on January 3, 2013, the minister of our Kovel Church came to our house according to the commandment of God. At first there was a short talk about my spiritual state. Then he offered to pray God to forgive me for my every guilt. During the prayer through the minister God said me, **“This is My will to give you the help ... I do not do so how you think ...”** The Lord opened all my embarrassments and doubts. There was one more prayer after the talk. Before the prayer the minister asked me whether I believe in the ministry of prayer with anointing with oil that is written in the 5th chapter of the Epistle of Saint James the Apostle. I replied, “I believe.” God's minister made the prayer with anointing with oil in the name of the Lord. During the prayer I was kneeling and he with his right hand anointed my head with oil. After anointing with oil, the prayer continued and his hand laid on my head till the end of the prayer. It was a very powerful prayer! In this prayer, I felt the presence of God Himself and told Him with awe everything what I wanted. Now I can't remember about it without tears. At the end of the prayer God put the new Spiritual Song in Other Tongues in the mouth of the minister, at the same time the power of God filled me, too. We together with the minister were singing the Spiritual Song in Other Tongues which God has given us. The miracle happened! At the same time, with His hand God took my diseases, and pleasant warmth remained in my left eye that I felt for a long time.

Glory to You, God Almighty, gratitude to You the One God for the ministry of anointing with oil that is given to us – the people! The Lord does not change, He is the Same yesterday and today and for ever. As it is written in the Epistle of James the order of the prayer for the healing of the sick: **“Is any sick among you, let him call to him the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord; and the prayer of faith shall heal the sick, and the Lord shall raise him up; and if he be one who has committed sins, it shall be forgiven him. Confess therefore your offences to one another, and pray for one another, that ye may be healed. The fervent supplication of the righteous man has much power”**, just as all these things are performed nowadays, too! After this ministry I became to feel so ease – absolutely no pain and such nice, tender feelings of love to God, and such happiness – God healed me, and that means He forgave my transgressions, too.

Since then there were no pain attacks, now I can read easily. For example, with one left eye I can read a text in my Gospel, the size of the Gospel is 5.2 x 3.6 inches (13 x 9 cm) that is lying

before me now. Its printing height is about 0.04 inch (1 mm). Until today, 14th January, 2013, I could only dream about this before the healing.

I thank God for His mercy and healing.

Help me, merciful God, that I may glorify You as You are worthy! Amen.

### **GOD HEALED ME!**

On December 17, 2012, cleaning the yard of snow, I felt a severe pain in the lower spine. I scarcely entered the house and hardly laid down on sofa. The pains were so strong that it was impossible to turn around or sit down or stand up. In order to get out of sofa, I had to roll down the floor, and gritting my teeth in pain, get up slowly, while my whole body was covering with cold sweat. Knowing that there is the ministry of the prayer with the anointing with oil in our church, and remembering the healing of the people who through this ministry received instant healings from God, by telephone I asked God's minister of our Kovel Church to pray for my healing.

On December 20, 2012, the minister came to my house and asked me whether I believe in everything that is written in the Epistle of Saint James the Apostle 5:14-16: **“Is any sick among you, let him call to him the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord; and the prayer of faith shall heal the sick, and the Lord shall raise him up; and if he be one who has committed sins, it shall be forgiven him. Confess therefore your offences to one another, and pray for one another, that ye may be healed. The fervent supplication of the righteous man has much power.”** I replied, “I believe.” The minister had anointed me with oil in the name of the Lord, made one prayer and I immediately was able to sit on the sofa – I felt that God healed me! In addition, I want to say that no medicine was taken.

How wonderful that there is such a ministry – the anointing with oil in the name of the Lord which was passed by the holy Apostles. How wonderful that in our days during this ministry God listens to the earnest prayers of ministers of the Kovel Church, too.

Glory to the Great Living God! Amen.

### **GOD HEALED THE DAMAGED BRAIN**

On October 24, 2012 the disaster happened with my son Victor who lives in Russia, – he was attacked and severely beaten in the head in his apartment. He was wheeled into ICU's (Intensive Care Unit) Trauma Center in critical condition, unconscious and bleeding from his head. The examination showed that his skull was cracked in three places and the brain matter was injured. Injuries were incompatible with life. He had emergency surgery – craniotomy, the brain was cleared from the skull splinters and hematomas. After the surgery, my son was in deep coma.

Artificial support systems maintained his respiratory function, the body temperature rose to 41°C and no medication could lower it.

He was diagnosed with terrible diagnosis:

- **Penetrating (open) traumatic brain injury**
- **Severe brain contusion**
- **Massive parenchymal subarachnoid hemorrhage**
- **Open multi-fragment depressed fracture of the parietal, temporal bones on the right, damaged brain matter**
- **Contused wound of the right parietal region**
- **Facial soft tissue contusions**
- **Secondary purulent meningitis.**

Only a week later I was informed about the incident after it took place. Doctors appraised my son's condition as critical and didn't want to make any prognoses. I realized they just didn't want to deprive me of hope while the doctors didn't have any hope. Because the doctor said, "What do you want? A half of his brain flew out." After eleven days of treatment, my son didn't regain consciousness, no one could visit him.

I knew that through the prayers of the Kovel Church God heals from different incurable diseases. Every Sunday the Church fasts and prays for all those who are in need of God's help. So, I was in deep grief and appealed to God's minister of the Kovel Church, weeping, told him about my disaster and asked him that the Kovel Church would pray for my only son, for whom there was no hope to survive.

During the prayer, God gave the vision to the minister of the Kovel Church and there was the prophetic explanation of this vision, so I knew that Victor would live. But only one thing was necessary – we should often earnestly pray. We did so. On Sunday, November 4, at the service of the Kovel Church prayers were made for my son. I and my relatives joined the prayers of the Kovel Church, we were also fasting that day. And God, according to His mercy, has performed a miracle – my son Victor came out of a coma on the same day, on November 4! The body temperature became normal. The state of his health got better from day to day. He was transferred from intensive care into a general ward. At that time he had not spoken yet, because he still had tubes down his throat to breathe, in his nose to eat. The purulent discharge from wounds on his head became much decreased in quantity. He was given a pen to write his name and he wrote it. Victor recognized all the people he ever knew; he began to feel pain in his paralyzed left leg and arm. The doctor said, "The feeling of pain gives hope that his arms and legs will function." But suddenly sutures on his head disrupted: probably, stitching up his head, a surgeon didn't hope that Victor can survive and that's why the sutures were stitched not well enough. His recovery continued, the tubes from his nose and throat were removed, after that he began to eat himself and to talk. He began to move his paralyzed leg. The doctors were surprising that Victor was getting better so quickly (there were patients with less severe injuries in the same ward, but they weren't noted significant improvements). Now he is at home, and he already walks!

Glory to God for He performed the miracle for my son through the prayers of the Kovel Church – God gave life to my son! I and my son thank the Great God the Father and the Son of God Jesus Christ and the Holy Spirit for His marvellous deeds and great mercy, and for such people whose prayers God listens to!

## **GOD'S HEALING FROM STOMACH CANCER**

In September 2012, a woman from Ivano-Frankivsk appealed to our church. She passed a request of her acquaintance that Ivan, her husband, was in hospital with stomach cancer. A surgery to remove the part of his stomach was performed on him before and now the surgery was needed again. But Ivan refused the surgery and said, "If God doesn't help me, then the doctors will not help." So he and his wife decided to join Sunday prayers of the Kovel Church and asked the church to pray for Ivan's healing from cancer. After Sunday prayer Ivan's health was recovering, so they decided to continue joining the prayers of the Kovel Church. So passed three Sundays and God healed Ivan! Now he is healthy enough and he went to Poland to raise money for himself and for his four children. Ivan conveyed his sincere thanks to Kovel. He thanks God and the Kovel Church that his need was offered up to God and God healed him from the deadly disease.

Glory to God for everything!

## **INFORMATION FOR YOU**

For more than 50 years, the Kovel Church has been continuously fasting and praying to God for the whole world every Sunday. We continue to do this and now. We eat nothing and drink nothing until 6 p.m. And between 2 p.m. and 4 p.m.\* many times we pray especially earnestly. *Our prayer time is determined by the clock that is at the top right corner of every page of our website [www.God-does.com](http://www.God-does.com)*

We pray for all peoples, tribes and tongues, for their presidents, kings and rulers, so that God's mercy will help on its own in all the deeds which are being done on the Earth. We pray that God's mercy will help good deeds and prevent evil deeds. We pray for the sick, for those who, being in prison and in distress, call on God for help, and for all those who are in need of God's help. We pray that all peoples, tribes and tongues, believing with one accord in the name of Jesus Christ, will glorify the One God the Father and the Son and the Holy Spirit. Amen!

We offer this to all people: if you have any needs and want to receive what you ask of the Lord, then join us in prayers on any Sunday, means that you pray at the same time we pray. Even when Jesus was on the earth, people received healings in the pool Bethesda only at certain times when God's Angel moved the water (John 5:2-4). To receive what you ask for, you do not even have to go out of the house. You must believe that there is no distance for God. In the place where you live, beseech God heartily to forgive your sins and to help you in your needs. Pray to God with your own words rather than with memorized ones, like you are asking something from your father. And according to your faith, you will receive what you ask if it is not against God's Will. Because, it is written in the Bible that Jesus **"took upon Himself our infirmities and bore our diseases"** (Isaiah 53:4); and it also written: **"Behold! the Lamb of God Who takes upon Himself the sin of the world"** (John 1:29).

The Great God of Love and Peace listens to the prayers of faith, and that is why He gives His answer by Word and Deed. Through the prayers of the Kovel Church, God performs healings and miracles for people from different communities of believers in the Americas, Germany, Israel, Iraq, Russia, Ukraine, Belarus, Uzbekistan, Kazakhstan and other countries. God performs healings even to those who do not attend services of believers but have the faith to receive what they ask of the Lord – just like Anatoliy from Lutsk, Lilia from Tashkent and many others.

In the name of Jesus Christ, glory to the Great God the Father and the Son and the Holy Spirit for everything! Amen!
